Building Safety Certificate

This is to certified that, Mr. Lalit Mohan Pradhan, Junior Engineer Sambalpur (R&B) Section-IV, (R&B) Sub- Division-II, Sambalpur and the under signed has thoroughly inspected all the school building of **St. Arnold School, Unit 11, Khetrajpur**, on dt- 02.08.2025.

It is found that, all the building structure is in structural shape condition. Building had been constructed as per the provision of national building code taking into accounts the safety factor like cyclone and earthquake etc. There is ample provision for open space and drainage as well.

It is my considered opinion that the school building structure is safe, sound and stable condition and this letter is valid up to a period for 02 year from the issue of this letter.
